Q

Error running frontend app

☐ Daniel-Admin asked 2022-07-27 **(No answers)**

When running the FE app from the SA training, I am getting the following error. Any advice?

> Error: Error on worker #1: Error: The given rootPath undefined is not a file of the program.
> at getRootFileOrFail (/Users/kaira/Downloads/adopt-ootb-journeys-starter-app/node_modules/@angular/compiler-cli/ngcc/src/host/esm2015_host.js:2372:19)
> at Esm2015ReflectionHost.computePublicDtsDeclarationMap (/Users/kaira/Downloads/adopt-ootb-journeys-starter-app/node_modules/@angular/compiler-cli/ngcc/src/host/esm2015_host.js:1690:27)
> at Esm2015ReflectionHost.getDtsDeclaration
